WHAT IS THE LATEST?

Supplier Update

BEVERAGE UPDATES

- As we endorse and encourage members who choose to sign an Option 2  agreement with Coke, we don't however endorse removing or displacing a funded competitive Cooler in the process.
- Due to recent developments at the Houston Pepsi plant; the Pepsi Operations team is implementing an order quantity cap of 30 cases maximum beginning this week. 
- Please note: 2022 Beverage Planograms have been posted to the Member Portal.

CONAGRA SUPPLY

Consumer demand, transportation, winter weather, and labor shortages continue to impact full recovery for Conagra branded products including Slim Jim, Duke's Jerky, David's Seeds (specifically pumpkin) and Andy Capp Fries. They continue to focus on core SKUs to fill orders to the best of their ability. Although they continue to ship product, they are unable to completely fulfill order quantities. Conagra does not anticipate a full recovery for a few more months.

Pol. Adv. Paid for by Dr. Lalani for Texas, Gordon Quan, Treasurer.

Diagnosis: *Texas Republicans pick politics over Ft. Bend families. GOP leadership left us sicker, poorer, and less secure.*

The Remedy for Texas:

-  Fix the Grid and Reform ERCOT
-  Prioritize Economic Recovery from the Pandemic for Families and Small Businesses
-  Create Sustainable Public School Funding
-  Make Prescription Drugs Affordable
-  Expand Medicaid and CHIP
